

# Shop Approval Certificate

## SAC -220058, Rev.0

This certificate is issued to

cp.max Rotortechnik GmbH & Co. KG

Manfred-von-Ardenne-Ring 5,  
01099 Dresden,  
Germany

Scope:

Repair of wind turbine rotor blades

Standard:

DNVGL-SE-0436

The conformity evaluation was carried out according to DNVGL-SE-0436: SERVICE SPECIFICATION, Shop approval in renewable energy, Edition April 2018 in conjunction with DNVGL-ST-0376: Standard, "Rotor blades for wind turbines", Edition December 2015.

It is based on the reference documents listed on page 2 of this certificate.

Changes in the company's quality system and listed personnel in the annex are to be approved by the Certification Body. Without approval, the certificate loses its validity.

This certificate is valid until 2025-05-30.

Bremen, 2022-05-31

Federico Osvald  
Vice Head of Certification Body
